

Yes, we have a free press (supposedly) in this country! Then how can Sinclair Broadcasting force their stations to air an anti-Kerry documentary days before the election?? This is a clear example of the dangers of media consolidation.

Our local station, KOVR, Channel 13, Sacramento, is not speaking to the press about this, and I can understand why.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. And we thought 1984 was in the past!
